If you want to meet to discuss your future classes

If you want to discuss summer and/or fall classes, please prepare a list of classes you're considering and a potential schedule of classes **before** our meeting. In an effort to help you generate a list of classes and to create your schedule, please utilize the following helpful resources **before** our meeting:

Helpful resources:

- When selecting your classes, please consider using your myBLUEprint as a guide. This is available via your <http://go.pfw.edu/> account.
- If you completed the advisor assignment in COM 120 or COM 308, use that assignment as a guide when selecting classes and creating a schedule for yourself.
- Here is the link to the course schedule:
