

Prerequisite Skills from MA 153

In addition to the prerequisite skills on page 2 of the green handout, it will be important to know how to do these kinds of problems.

Linear and Exponential Functions

Section **3.2** -- 1-4, 6-10, 38

If you want more on exponential functions, see Section **3.1** -- 1-8, 11-16, 19-24, 26-31

Properties of Logs and Solving Exponential and Logarithmic Equations

Section **4.1** -- 25

Chapter 4 Review (page 185) – 8, 13acef, 27, 47acd, 52

Transformations of Functions

Section **5.1** – 3, 5, 8-19 as needed

Section **5.2** – 21, 23, 25, 29, 31

Section **5.3** – 17, 35
