

Physics 105, Sound and Music - Assignments for Wed., Nov 9 to. Wed , Nov 16, 2011

Quiz 2 last 20 min of class Wed, Nov 9. Hand in Review question answers with quiz.

Read Chapter 10 "String Instruments" in Rossing, Moore and Wheeler.

Again, try to understand the arithmetic but don't need to memorize equations and calculations.

Concepts are most important.

Study the glossary. If any concept bothers you, be sure to ask in class. Note that some items are repeats from former chapters. These are very important concepts to try to understand.

Write out the answers to Review questions p.222. no's 3,4,5,6,8,11,12,13,14,17,18.

Write out answers to Exercises p 223. No's 2, 6.

For discussion Mon. Nov 14. **To be handed in following Wed Nov 16.**
