OFFICIAL SANCTION FROM SCHOOL

I recommend this candidate as an official representative of this school. Any student participating must be actively involved with the local school's parallel musical organization during the time of audition for any performance of the IPFW Honor Bands. I understand that if s/he is chosen and accepts to perform in an honor band, s/he must attend all required rehearsals and concerts. We ask that each participant be considerate of this requirement and not deprive another person of the opportunity. I also understand that the supervision of players is the responsibility of each school, and that each school is responsible for housing its members. I verify that the students performing on the recordings accurately correspond to the students listed on the application forms.
