

Dear Seminarians,

Thank you for all of your fine submissions. Attached to this letter you'll find a PDF of the paper abstracts. Complete PDFs of all papers are accessible on the Members page of the session website, <http://www.saa9.org/members.html>. We would like to give you the opportunity to read our work and prepare for our session as soon as possible.

In ten days or so, we will write you a final time with some discussion topics and other suggestions about how we might proceed. We look forward to seeing you.

With best wishes,

Sarah (and Michael)
